Instructions for Airport Aid Application

- Item 1. Please fill in completely. Name, address, and phone number (including area code).
- Item 2. The locally approved name and proper updated runway information. Based aircraft as of application. This is important. Please specify the number of single and multi-engine.
- Item 3. Fill with your latest figures. On the runway lighting, please give what type (i.e., low, medium, high, etc.), and what item of lighting (i.e., beacon, lighted wind cone, riel and rails, etc.).
- Item 4. Fill in this area completely. The person reviewing your application will judge it on your description and priority. Number the projects 1, 2, 3, 4, etc. Give a brief but full project description. Give the full project cost, the amount you will put in (we cannot fund 100 percent of any project), and the amount you are requesting from Aviation Division. Include federal funds, if any. If you are going to use local equipment or volunteer help, put the monetary value in the last column.

Remember, the total of the first column, MUST equal the total of all other columns.
- Item 5. Complete as of today. If you have an airport development plan, please give date of completion. On the height limit zoning, if you do not have Height Limit Zoning, but have an ability to limit the height of nearby construction, mark the "Yes" box.
- Item 6. *****READ AND NOTE! GIVE US YOUR BEST ESTIMATE FOR COMPLETION.*****
- Item 7. Complete and sign.
